(Issued under Trust Indenture dated October 20, 1904, of which the Guaranty Trust Company of N. Y. is the Successor Trustee) AND

To the Holders of the Fifty-Year Four Per Cent Gold Bonds of CONSOLI-DATED TOBACCO COMPANY (Issued under Indenture to Morton Trust Co. dated June 15, 1901, of which the Guaranty

Trust Company of N. Y. is the Successor Trus-The Supreme Court of the United States, in its decision in the suit brought by the United

States against The American Tobacco Company and others, has directed that proceedings be had in the Circuit Court of the United States for the purpose of ascertaining and determining upon some plan or method of dissolving the combination, and of recreating, out of the elements now composing it, a new condition, which shall be honestly in harmony with and not repugnant to the law. These proceedings must necessarily affect the interest of every holder of the securities of The American Tobacco Company and of every holder of the bonds of the Consolidated Tobacco Company. The undersigned have consented, at the request of the holders of a number of the Four Per Cent Gold Bonds of The American Tobacco Company, to act as a Committee for the protection of the interests of all holders of the said bonds, and of all holders of the outstanding Fifty-Year Four Per Cent Gold Bonds of the Consolidated Tobacco Company, who shall become parties to an agreement now in course of preparation, to be dated July 28,

Holders of the said bonds are requested to deposit the same with the Guaranty Trust Company of New York, 28 Nassau Street, New York City, the depositary to be named in said agreement, which will issue transferrable certificates of deposit therefor. All registered bonds must be properly indorsed in blank. The Committee believes that the interests

both of the holders of the Four Per Cent Bonds of The American Tobacco Company and of the Four Per Cent Gold Bonds of the Consolidated Tobacco Company demand that measures be promptly taken for their protection. The decision of the Supreme Court indicates that the proceedings must be completed and their purposes substantially accomplished within six months. Immediate action is therefore absolutely necessary, and the Committee requests that the said bonds be deposited at once. Deposits will be received up to and including the 28TH DAY OF AUGUST, 1911. Copies of the deposit agreement may be
